*Dr. S. Y. Jameson, President*

## THE NEW PRESIDENT

We want to introduce to the Baptists of Arkansas, Dr. S. Y. Jameson, the new President of Ouachita College. He declined the first election; but on June 2nd the Board of Trustees re-elected him and gave him until June 10th to make a decision, with the result that he accepted. Doctor Jameson is well known east of the Mississippi River where he served the Georgia State Baptist Convention a number of years as Missionary Secretary, and resigned that place only to go to the presidency of Mercer University at Macon. There he has been for seven years doing a splendid work and working wonders in a financial way.

The Christian Index says of Dr. Jameson: "He has so directed the financial condition that Mercer University, for the first time in years, last year, paid all its running expenses and had a balance in the Treasury."

He is a very progressive man and under his leadership we hope to put Ouachita College where she belongs among the colleges of the South West.

Below we give you a statement from Dr. B. B. Bailey, Pastor Beech St. Church, Texarkana, Arkansas, who has lately come to us from Tatnal Square Church, Macon, Georgia, which church is on the Campus of Mercer University.

## TO THE BAPTISTS OF ARKANSAS:

Although unknown to the great majority of Arkansas Baptists, I feel at home in the state, and the generous reception accorded to a stranger has caused me to rejoice that I am one with you in every thing that affects the good of our glorious cause.

Feeling this, I have all the more pleasure in speaking a word of introduction on behalf of Dr. S. Y. Jameson, who has signified his acceptance of the Presidency of Ouachita College.

This well known educator comes to us with a record for achievement that is both gratifying and prophetic. Pastor in Atlanta, Georgia, for eleven years, Secretary of the State Board of Missions in Georgia for eight years, President of Georgia Baptist Convention for five years, and President of Mercer University, Macon, Georgia, for seven years, his record is such that Arkansas Baptists may well rejoice that although offers crowded upon him, with larger salaries, he declined them all, to come to Arkansas, and to Ouachita College.

If I may speak out of close personal association with him as his pastor during my residence in Macon, Georgia, no man in the South, in my opinion, is better fitted than Dr. Jameson, for the peculiar ability required in managing a denominational college.

To unusual educative ability, he brings a rich and varied experience in all matters of denominational life and character.

Of unquestioned soundness in the faith, and a personal integrity above reproach, Arkansas Baptists may entrust their sons and daughters to his care, with the assurance that all the powers of his strong Christian character will be devoted to their highest well being.

We have had no more auspicious hour than that which the present time affords. The day for strengthening the things

that remain is now upon us; we must do this or else lose much of the advantage which has been gained. What more vital and far-reaching thing could we do, than to come to the rescue and the support of our schools? Ouachita and Central Colleges are the strategic points in our denominational life.

However improbable it may now seem to some, time will prove that failure to maintain and endow our schools will retard our progress for all time to come, and divert from our ranks, many of the brightest and best of our youth.

In the coming of President Jameson to Ouachita College, I can but believe that we shall have perpetuated and enlarged the glorious record of the past under the able and Godly men who have presided over the destinies of this noble institution. Their work is immortal. It will live in the lives of those whom they have graduated and sent out to the whitening fields.

In succeeding to the place made vacant by the resignation of the beloved Dr. Bowers, Dr. Jameson will enter upon the labors with one of the most devoted and self-sacrificing spirits that it has been the privilege of Arkansas Baptists to know.

The success of the incoming president will largely be determined by the support which shall be given him by the great and growing body of Baptists in Arkansas.

With a history unsurpassed in achievement, whether as Pastor, Secretary or College President, it is my deep conviction that we shall have in our distinguished brother one whose leadership will prove to be an honor to those whom he succeeds, and a blessing to the cause of education among us.

Sincerely,

B. B. BAILEY.

## EXPENSES

The expenses of living have increased greatly in the last five years. It is useless to think or argue that one can live on the same amount that he did five years ago. Hence why argue that a college can do the same? The standards of the college must be maintained, and in order to do this the Board has found it necessary to make some small increase in the price of board in the Young Ladies Home. We have added \$20.00 per year to the cost of board, making it as follows:

*Board in Young Ladies' Home*

|  | Fall    | Winter  | Spring  | Year     |
|--|---------|---------|---------|----------|
| Including room, lights, heat, laundry, with three girls in room .. | \$66.00 | \$55.00 | \$59.00 | \$180.00 |
| If only two girls in room .....                                    | 70.00   | 58.00   | 62.00   | 190.00   |

The cost of a college course varies with the habits of a student. Ouachita College does not run as a money-making institution. It has a deficit every year. It gives to its patrons a great deal more than they pay for. From time to time liberal friends donate money to Ouachita College to help meet the deficits.

The expenses advertised in our catalogue may make a course at Ouachita seem higher than at some other institutions, but it should be remembered that the students do not have an opportunity at Ouachita to spend money in fashionable dissipation, and as a consequence the aggregate cost for the year is less than at most other colleges of the same grade.

If there is any misunderstanding or dissatisfaction about accounts, or anything whatever, write us a courteous letter, and prompt explanation will be made.

All college bills are made out by the Business Manager. All bills are due on the first day of each term.

No credit will be given for work done here unless bills are paid. If bills are not satisfactorily adjusted by the end of a term, a student will not be allowed to enroll for the next terms work.

All charges are made by the term, and not by the month. If a student withdraws on account of sickness by advice of a physician, charges will be made only to time of withdrawal. If the withdrawal is for any cause, except with the full consent of the President, charges at full rate will be made to the end of term.

The annual session is divided into three terms. Payment for board and tuition of young ladies is required in advance at the beginning of each term. No deduction for lost time can be claimed, except on account of protracted sickness, and then for no length of time less than a month. No deduction for absence for the last four weeks of the session.

## THE ANNEX

The Board of Trustees of Ouachita College in a meeting in Little Rock on June 24th authorized the building of an Annex to the Young Ladies' Home. They instructed the President and the Executive Committee to draw up plans and let the contract for this at once so as to insure the completion of the building in time for occupancy in September.

The first floor of this annex will be devoted wholly to the Department of Domestic Science, which will be introduced this fall. Up-to-date equipment is to be purchased to fit up this department. We expect to make a first class department of this.

The second and third floor of this annex will be made into comfortable first class rooms for young ladies, accommo-

dating in all about forty.

The Board also instructed the President to overhaul the entire bath and sewer system of the college. This will be done at once and shower baths placed in the bath rooms, making our system up-to-date in every respect.

#### FINAL WORD

upbuilding of Arkansas intellectually as well as spiritually.  
Ouachita College will be no bigger and no better than the  
Arkansas Baptists make it.
